- 4 -

Built in 1825 with Indian labourers from the Mission, under the direction of the Franciscan friars. The roof tile were made at the Mission and the floor was of asphalt, brought in from the asphalt beds in what is now called Goleta.

The house is now owned by Mrs. A.L.M. Vhay, who has made extensive restorations and additions. It is now in excellent condition.

REF:

John R. Southworth, "Los Adobes Antiguos de Santa Barbara " and information from various old residents.

Approved

James F. Withers
District Officer
